REASONS FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance: In combination with all the limitations recited in the independent claim, all the prior arts do not show an electrical connector comprising a pin connector having a block and a socket connector having a housing, wherein the block and housing each have metalized surfaces fully around contact insertion apertures in a manner to electrically shield the contact insertion apertures, grooves on the block of the pin connector to make pin contacts independent from one another, groove portions on the housing of the socket connector to make the socket contacts independent from one another, and at least one groove portion with the contact insertion aperture of the block around ground contacts communicate with at least one further probe portion.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Hae M. Hyeon whose telephone number is 571-272-2093. The examiner can normally be reached on Mon.-Fri. (8:30-5:30).

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Tulsidas C. Patel can be reached on (571) 272-2098. The fax phone number for the organization where this application or proceeding is assigned is 703-872-9306.
